Description Transferring the functions of the office of retirement research director to the Legislative Council Staff and eliminating the Retirement Research Committee						

Assumptions Used in Arriving at Fiscal Estimate

The bill transfers the staff function for the Retirement Research Committee to the Legislative Council. Although this bill adds an additional assignment to the Legislative Council, it is possible to absorb that assignment and not require additional financial resources. The amount previously appropriated for actuarial studies should be continued, resulting in no additional fiscal impact.

Long-Range Fiscal Implications
